GIRLIE SWEETNESS

Here, we add a pop of colour with a feminine, faint-pink pencil skirt. We top the outfit with a lightweight bush jacket for a touch of adventure while keeping you perfectly warm in your office.

BUTTONED-DOWN SHIRT, PRICE UNAVAILABLE, KITSCHEN. VEST WITH POCKET, RM199, ELLE.

POLISHED TOUGHNESS

We pair a rugged khaki vest with a fitted shirt and body-hugging trousers to balance out its utilitarian toughness. With an earthy palette, we finish with staple black pumps and bag to pull the look together.

WORK THE TREND!

- **DO** play with earthy tones such as brown, camel and beige
- **DO** pair your look with streamlined separates for a polished, office-proper look
- **DON'T** overdo the trend with more than two safari-inspired pieces; you want a touch of the trend, not a desert-ready look.

This bush shirt conveniently comes with a sleek waist belt to define your silhouette while adding polish to your look.
BUSH SHIRT WITH BELT, JEEP

Cargo pants mark the quintessential safari piece. Paired with a black blazer and soft chiffon shirt, the look is instantly professional.

CARGO PANTS, TED BAKER

Keep your look simple with this adventurer-like piece: cuffed sleeves, a structured tote and a pair of black pumps are all you need.
