**LIMITLESS - JEEP**

The new collection is designed for adventure lovers and urbanites who enjoy the city lifestyle, and also ideal as work and play apparel, if you take the tagline "Live Without Limits" literally. The collection's colours are bold and vibrant. For him, the material, fitting and colour tones of cargo pants and jeans have been improved. In addition, the new line features checked shirt prints, khaki, and basic tops like polo and round neck tees with refreshed graphics.

*CHARLES BERKELEY'S NEW COLLECTION*

Charles Berkeley continues to maintain the highest standards for the materials and workmanship on its products. This new collection represents the latest Signature line of the brand and its attention on immaculate details in finished leather goods in colours of red, light orange, brown, navy blue, black, and dark green. The noticeable uniqueness are the clean lines and lightness of the range without sacrificing the strength of the leather. It's meant to reflect your own style.
