## TAKE CHARGE OF YOUR STYLE

Clothes can be sold, but style can't be bought. The Chargers Outfitters Active Concept doesn't provide you with ready-to-wear manufactured style, instead they offer you an array of apparel and let you take charge of your style. After all, it's your body, you should know best what's comfortable.

*Chargers Outfitters is available at Outfitters Studio in AEON Cheras Selatan, KL Festival City and AEON City Square JB, as well as all leading department stores like Parkson, Pacific, The Store, Sogo, and others.*
