13 Antton & Co Democrata Brazil

This is a rising brand, known for its modern cuts, laidback attitude and fantastic pricing. Democrata men's shoes are among the finest men's shoes produced in Brazil. The collection consists of rugged in-trend styles for the urban man.

14 Reebok ZR11

For ground pounders who want a heavyweight treadmill with a large running surface. Features a strong motor of 2 HP, which can make you run up to 18 kmph.

15 Puma BioWeb Elite

Visually stunning, extremely comfortable, and performance enhancing, the Puma BioWeb Elite takes inspiration to the next level. This shoe offers a complete experience for athletes who live for action both in and out of the game.

16 Vans X CLOT

Legendary shoe brand Vans is having a joint collaboration with CLOT from Hong Kong. The limited edition Vans and CLOT footwear is available exclusively at Juice KL. Be inspired by the tribal colours of the coming spring/summer collection.

17 Timberland Spring/Summer Collection

Canoeing, kayaking, sailing and rafting and fun. Whether it is getting wet in the water, or basking in the warm glow of sunlight, Timberland's latest Spring/Summer 2013 collection of footwear and apparel is well-suited for fun and action.

18 EVISU Spring Summer 2013

EVISU introduced denim wearers across the globe to premium-quality Japanese selvedge denim and custom distressing. So what's EVISU up to this spring and summer? More delightfully premium offerings, of course.

19 Charles Berkeley Compass Collection

Sleek and refined, this sophisticated series of COMPASS brings you practical messenger totes and travel luggage that make an impact however you wear them. Stays at the forefront of fashion wherever you're travelling.

20 Jeep 'Love the Earth' Collection

In line with its 'Live Without Limits' tagline, the new collection is designed for both adventure lovers and urbanites who enjoy the city lifestyle. The collection is also ideal as apparel for work and play in tropical climates.

21 Gucci Guilty Black

All perfumes should tell a story, and in the dark and mysterious Gucci Guilty Black, the story becomes still more compelling, giving it a new, more passionate, more daring edge. As one would expect from Gucci, there is great tactile appeal in the bottles' marriage of high-tech and high style.

22 Columbia Basecamp Watches

The name 'Basecamp' is taken from a term used in mountain climbing. This watch has safety functions which include an in-built hydration alarm, a very important device to alert adventurers to take in liquids on schedule (thus avoiding premature exhaustion).

23 Suunto D6i Black Elastomer

A wrist-top dive computer of choice for those who take their diving seriously. Features like the tilt-compensated 3D compass and wireless air integration make it invaluable in situations where other people rely on your diving skills.

24 Soleus SRO10-452

This is a lightweight, one-piece watch for comfortable wear during cardio workouts. Functions include chronograph, hydration alarm, lap memory, 5 interval timers, alarms, EL Back light. Comes in a variety of colours and is perfect for the fitness enthusiast.
